Description / Reason why product is returned:

All items returned must be accompanied with an RGA form. Returned Merchandise must be in the original packaging and in resalable condition with the exception of broken parts.

If any problems or defects are detected in any E-njoint™ / I-nvention™ products or components under warranty, or out of warranty needing condition inspection or repair, please follow these guidelines:

1. Contact

When you bought the products directly from E-njoint™ or I-nvention™, contact us by mail; support@e-njoint.com.

Have your serial number available and provide the details for your warranty/repair claim.

When the purchase was not directly at E-njoint™ or I-nvention™, the instructions of the reseller needs to be followed.

2. Request Return Goods Authorization.

Complete the digital fillable form, then email it to support@e-njoint.com.

Upon receipt of the completed form we will issue an RGA number and authorize the return of the product. The returned product(s) must be accompanied with a copy of the completed RGA document.

3. Prepare the item for shipping.

Use a corrugated box and make sure the product cannot be damaged during transportation. We advise you to take a picture of the product and how it is packed.

4. Send the package freight prepaid to:
